

Carrio

Turn any space into a collaboration hub. Carrio transforms the office into a dynamic workspace with mobile carts that allow teams to transport whiteboards and tools effortlessly. Create an instant brainstorming station wherever inspiration strikes and keep your ideas moving with Carrio.

FEATURES

Full range of storage features

The upper section can be equipped with a removable tray or removable upper shelf for storing small items such as sticky notes and marker pens. The middle section can accommodate up to seven file boxes.

High-capacity mobility

Effortlessly transport and store up to six whiteboards at once, ensuring your team always has enough space to capture every idea.
