

Franka

Casual to formal spaces, café tables to make the ideal scene.

FEATURES

Work & Refresh

Create the ideal café or refresh space with a wide variety of shapes and colors.
Choice of optional tools for work now also available.

Work & Communication

Shapes designed for easy interaction stimulate casual communication. The design is also ideal for work purposes.

VARIATIONS

Work & Refresh

Creating an ideal cafe-like area to refresh from work with a wide range of shapes and colors

Offering a wide range of variations to suit different usage scenarios and ideal spatial concepts. The lineup includes three table shapes (rectangular, square, and round) and four leg choices (four-leg, twin disc base, disc base, and C-shaped base). What is more, warm wooden grain legs and sleek steel legs with an elegant design are available on the four-leg models.

Square • Rectangular • Circular tops are available on all models *Exception: Twin disc base is rectangular tops only

VARIATIONS

Work & Communication

The triangular table shape evokes casual conversation

With its distinctive triangular table shape, it creates an environment where visitors find it easy to engage in conversation and those seated around the table can also converse comfortably.

- ① The round shape without corners makes it approachable from all sides, facilitating interaction.
- ② The diagonal positioning fosters a comfortable distance that encourages conversation among those seated at the table.

Tabletop

High-grade tabletop (Melamine)

The moderately rustic wood grain creates a comfortable atmosphere. This melamine tabletop also offers excellent durability.

*MP1 and MU5 feature embossed finishes that replicate the texture of natural wood.
