

VIENA

A meeting table range with sleek design and functionality to create flexible office spaces.

GOOD DESIGN AWARD 2016

BEST 100

A lineup to cater the variety of work scenes in the office.
Simply designed to match well with the surrounding furniture, and seamlessly blend into the space setting.

FEATURES

2 Way cable access flap (Fixed table models only)

The simple wiring box neatly houses cables. When opened allows easy access to outlet taps.

Recessed close-floor castors

Matching leg design throughout, easy to move close-floor castors with a sleek and modern leg detail.

Folding lever (Foldable table models only)

The folding lever adopts a twist and turn mechanism for safe use. The lever also neatly folds back into the under-frame for efficient nesting.

Castors

The castor stopper can be switched between free and lock by pressing the switch at the front.

ACCESSORIES

Support tool for smart wiring

A pre-packaged set to neatly store power cables. Regardless of having a 2 way cable access flap, a convenient power supply environment can be created.

VARIATIONS

Foldable top

Foldable and nestable.
Flexible when used in multi-purpose areas, and space saving when stored.

Tabletop variations

Fixed top

Wide range of tabletop variations available.
Available also as adjuster feet.
