◆ Antibacterial/Antiviral tops :
The antibacterial and antiviral performance is applicable only to the surface of the tops. The top panel of this product will reduce the number of specific viruses on the surface, but does not guarantee prevention of infection. Further, the antiviral treatment is not intended to treat or prevent diseases. This is a SIAA registered product.

Range of functions suitable for modern work needs

Tablet stand

TINY-CUBE designed to be easily installed in an office. Equipped with features for web meetings, such as power outlets on the desk and a tablet stand.

Further, its minimalistic size enables it to be placed even in small available spaces in the office.
