Meeting Screen Booth

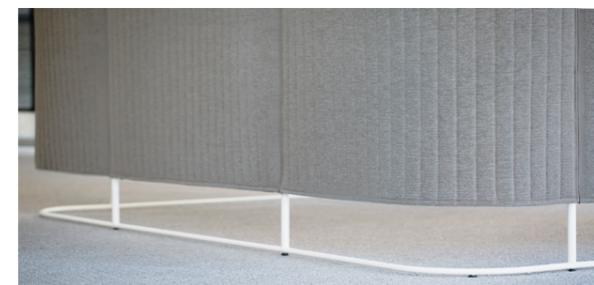

KOKUYO

VERSATILE AND FLEXIBLE.

inframe is designed to be simple and yet versatile in so many way. Paving the minimalist way of working style.

Lately, many office space emphasise on providing quality work life for their employees by installing furniture that deem comfortable and relaxing at the same time. It aims to connect people from the surroundings thus to create an efficient and cosy environment.

Inframe is designed to fit into that category, by using of natural and surrounding light ventilation, which gives a lightness impresion by elevating the panel away from the floor level to gives a floating and semi-closer effect. With the use of soft materials for the panels, it gives a soft and subtle ambience to the surroundings.
