

# cuna

Gently supports forward, upright, and backward leaning postures.  
A chair that sways comfortably.

## FEATURES

The inclined leg frame transfers body weight while swaying to prompt comfortable seating. Supports forward, upright, and backward leaning postures to aid the working posture. A chair for the body to sway and move naturally, reducing pressure strains on the body from long-hour use.

### Antimicrobial agent kneaded backrest

The growth of bacteria is prevented by 99% or more for 24 hours (in comparison to non-antibacterial treated surfaces). Kohkin as tested in accordance with ISO22196 International standard.

Plano-convex shaped seat with firmer middle core. The molded urethane foam cushion completes seating comfort suitable for everyday high-traffic use.
