Normann Copenhagen • MY CHAIR

Designer: SIMON LEGALD

Effortless and timeless, Nicholai Wiig Hansen's My Chair from 2013 is just about as close as you get to a new classic: a minimal chair in molded veneer, that moves gently with your body. The rounded corners and curved waist counterbalance the stringent design of the chair and give it a warm and welcoming feel. My Chair is ideal for spaces that need a large number of seats, as the design can be multiplied without taking over the interior. Its stackable design gives flexibility, while the lounge chairs and barstool expand the opportunities to create coherent furnishings with the My Chair series. Winning Interior Innovation Award 2014 in Germany.
