

Poliform POLIFORM・BABA

Designer: Roberto Barbieri

非常にミニマルなデザインの「バーバー」サイドテーブル。余計な要素を全て取り去ったことで、細部のディテールが引き立ちます。レッグは“コ”の字型の形状で、ソファの下部に差し込んで使えることも人気の理由です。

Poliform POLIFORM - BABA

Designer: Roberto Barbieri

The "BABA" side table is designed with a minimalist philosophy. All the unnecessary elements are removed, allowing the details to shine out. Another reason for its popularity is the u-shaped legs which can be put under the bottom of the sofa when in use.
