

# Poliform POLIFORM FLUTE

Designer : Roberto Barbieri

フルートグラスのステムのようにくびれたレッグが特徴的なダイニングテーブル。円形の天板を一本脚で支えることで、空間の抜けが非常に良くなるだけでなく、テーブルを囲む人数を制限しない点も魅力のひとつ。

# Poliform POLIFORM FLUTE

Designer : Roberto Barbieri

The main feature of this dining table is its slim legs resembling the stem of the flute glass. The circular top is supported by a single leg, which not only creates a very good sense of space, but also does not limit the number of people sitting around the table.
