Stellar Works ■ REN

Designer:
Space Copenhagen

Rén was born of the desire to create a series of pieces in the Danish Modern tradition—high quality, thoughtfully crafted design that balances function with form and is accessible to all. Made from stained ash, Rén's tables and chairs take this distinctly Nordic philosophy and incorporate craft techniques and aesthetic detail from the design traditions of Japan and China, resulting in a collection that, although inspired by a particular place and time, is both international and ageless in its scope.
