

TECTA TECTA K22

ドイツ・テクタ社のロングセラーテーブルです。天板の昇降が可能で、46～76cmの高さに調節してお使いいただけます。レッグの意匠がコの字型になっており、ソファやベッドの下部に脚を差し込み、手元に引き寄せて使用出来ます。有機的デザインの天板は、アメリカの現代彫刻家アレクサンダー・カルダーのモビールをモチーフにしており、サイドテーブルでありながらもアート作品のような佇まいを感じさせます。ガラス天板のモデルは、特徴的なスチールパイプのレッグの形状をよりお楽しみいただけます。

TECTA TECTA K22

A long-selling table by TECTA, Germany. The tabletop can be raised up and lowered down, with the height being adjustable between 46 to 76 cm. The leg design is u-shaped and can be put under the bottom of the sofa or bed, allowing the tabletop nearby the user's hands. The organic design of the tabletop is inspired by the mobiles of Alexander Calder, an American contemporary sculptor, giving the side table an artwork impression. The glass made tabletop enables the user to enjoy the distinctive steel-piped leg shape.
